- 2.16.1 Tenders must be received by the procuring entity at the address specified under paragraph 2.15.1 no later than 10.00 a.m. on 14<sup>TH</sup> May 2024.
- 2.16.2 The Procuring Entity may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with paragraph 5, in which case all rights and obligations of the procuring entity and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.
- 2.16.3 Bulky tenders which will not fit in the tender box shall be received by the procuring entity as provided for in the appendix.

## 2.17 Modification and withdrawal of tenders

- 2.17.1 The tenderer may modify or withdraw its tender after the tender’s submission, provided that written notice of the modification, including substitution or withdrawal of the tender’s is received by the procuring entity prior to the deadline prescribed for the submission of tenders.
- 2.17.2 The Tenderer’s modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of paragraph 2.15. A withdrawal notice may also be sent by cable, but followed by a signed confirmation copy, postmarked no later than the deadline for submission of tenders.
- 2.17.3 No tender may be modified after the deadline for submission of tenders.
- 2.17.4 No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form.
- 2.17.5 The Procuring Entity may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.
- 2.17.6 The Procuring Entity shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

## 2.18 Opening of Tenders

- 2.18.1 The Procuring Entity will open all tenders in the presence of tenderers representatives who choose to attend, at 10.00 a.m. on 14<sup>th</sup> May 2024 and in the location specified in the invitation to tender. The tenderers' representatives who are present shall sign a register evidencing their attendance.
- 2.18.3 The tenderers' names, tender modifications or withdrawals, tender prices, discounts, and such other details as the procuring entity, at its discretion, may consider appropriate, will be announced at the opening.
- 2.18.4 The Procuring Entity will prepare minutes of the tender opening which will be submitted to the tenderers that signed the tender opening register and will have made the request.

## 2.19 Clarification of tenders

- 2.19.1 To assist in the examination, evaluation and comparison of tenders the procuring entity may at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance shall be sought, offered, or permitted.
- 2.19.2 Any effort by the tenderer to influence the procuring entity during evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers tender.

## 2.20 Preliminary Evaluation and Responsiveness

- 2.20.1 The Procuring Entity will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required securities have been furnished whether the documents have been properly signed, and whether the tenders are generally in order.
- 2.20.2 Arithmetical errors will NOT be rectified on any following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the total price shall prevail. If the candidate does not accept, its tender will be rejected. If there is a discrepancy between words and figures, the amount in words will prevail.
- 2.20.3 The Procuring Entity may waive any minor informality or nonconformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.
- 2.20.4 Prior to the detailed evaluation, pursuant to paragraph 22, the procuring entity will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. The procuring entity's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.
- 2.20.5 If a tender is not substantially responsive, it will be rejected by The Procuring Entity and may not subsequently be made responsive by the tenderer by correction of the nonconformity.

#### 2.20.6 Deviations, Reservations, and Omissions

During the evaluation of Tenders, the following definitions apply:

“Deviation” is a departure from the requirements specified in the tendering document;

“Reservation” is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the tendering document; and

“Omission” is the failure to submit part or all of the information or documentation required in the tendering document.

#### Determination of Responsiveness

The Procuring Entity's determination of a Tender's responsiveness is to be based on the contents of the Tender itself.

A substantially responsive Tender is one that meets the requirements of the tendering document without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

If accepted, would:

affect in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the Contract; or

limit in any substantial way, inconsistent with the tendering document, the Procuring Entity's rights or the Tenderer's obligations under the Contract; or

if rectified, would unfairly affect the competitive position of other Tenderers presenting substantially responsive Tenders.

The Procuring Entity shall examine the technical aspects of the Tender submitted in accordance with ITT 16 and ITT 17, in particular, to confirm that all requirements of Section VII, Schedule of requirements have been met without any material deviation or reservation, or omission.

If a Tender is not substantially responsive other requirements of tendering document, it shall be rejected by the Procuring Entity and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.

#### Non-conformities, Error and Omissions

Provided that a Tender is substantially responsive, the Procuring Entity may waive any non-conformity in the Tender.

Provided that a Tender is substantially responsive, the Procuring Entity may request that the Tenderer submit the necessary information or documentation, within a reasonable period of time, to rectify non-material non-conformities or omissions in the Tender related to documentation requirements. Such omission shall not be related to any aspect of the price of the Tender. Failure of the Tenderer to comply with the request may result in the rejection of its Tender.

Provided that a Tender is substantially responsive, the Procuring Entity shall rectify quantifiable nonmaterial non-conformities related to the Tender Price. To this effect, the

Tender Price shall be adjusted, for comparison purposes only, to reflect the price of a missing or non-conforming item or component in the manner specified in the Tender Documents.

2.21 Conversion to a single currency

2.21.1 Where other currencies are used, the procuring entity will convert those currencies to Kenya shillings using the selling exchange rate on the date of tender closing provided by the central bank of Kenya.

2.22 Evaluation and comparison of tenders.

2.22.1 The Procuring Entity will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 2.20

2.22.2 The comparison shall be of the price including all costs as well as duties and taxes payable on all the materials to be used in the provision of the services.

2.22.3 The Procuring Entity's evaluation of a tender will take into account, in addition to the tender price, the following factors, in the manner and to the extent indicated in paragraph 2.22.4 and in the technical specifications.

2.22.4 Pursuant to paragraph 2.22.3 the following evaluation methods will be applied:

(a) ~~Response~~

The Procuring Entity requires that the services be provided expeditiously.

(b) ~~Payment~~

Tenderers shall state their tender price and payment terms on a schedule outlined in the special conditions of contract.

2.22.5 The tender evaluation committee shall evaluate the tender within 30 days from the date of opening the tender.

2.22.6 To qualify for contract awards, the tenderer shall have the following: -

(a) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.

(b) Legal capacity to enter into a contract for procurement

(c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing.

(d) Shall not be debarred from participating in public procurement.

2.23. Contacting the Procuring Entity

2.23.1 Subject to paragraph 2.19, no tenderer shall contact the procuring entity on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.

2.23.2 Any effort by a tenderer to influence the procuring entity in its decisions on tender evaluation, tender comparison or contract award may result in the rejection of the tenderers tender.

## 2.24 Award of Contract

### a) Post qualification

2.24.1 In the absence of pre-qualification, the procuring entity will determine to its satisfaction whether the tenderers that are selected as having submitted the lowest evaluated responsive tenders are qualified to perform the contract satisfactorily.

2.24.2 The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.1.2, as well as such other information as the procuring entity deems necessary and appropriate.

2.24.3 An affirmative determination will be a prerequisite for award of the contract to the tenderers. A negative determination will result in rejection of the Tenderer's tender, in which event the procuring entity will proceed to the next lowest evaluated tenders to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

### b) Award Criteria

2.24.4 Subject to paragraph 2.22 the procuring entity will award the contract to the successful tenderers whose tender have been determined to be substantially responsive and have been determined to be the lowest evaluated tenders, provided further that the tenderers are determined to be qualified to perform the contract satisfactorily.

2.24.5 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

## 2.25 Notification of award

2.25.1 Prior to the expiration of the period of tender validity, the procuring entity will notify the successful tenderers in writing that its tender has been accepted.

2.25.2 The notification of award will signify the formation of the Contract subject to the signing of the contract between the tenderer and the procuring entity pursuant to clause 2.26. Simultaneously the other tenderers shall be notified that their tenders have not been successful.

2.25.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 27, the procuring entity will promptly notify each unsuccessful Tenderer and will discharge its tender security forms.

## 2.26 Signing of Contract

2.26.1 At the same time as the procuring entity notifies the successful tenderer that its tender has been accepted, the procuring entity will simultaneously inform the other tenderers that their tenders have not been successful.

2.26.2 Upon receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the procuring entity.

2.26.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

## 2.27 Performance Security

2.27.1 Within thirty (30) days of the receipt of notification of award from the Procuring Entity, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the procuring entity.

2.27.2 Failure of the successful tenderer to comply with the requirement of paragraph 2.26 or paragraph 2.27.1 shall constitute sufficient grounds for the annulment of the award, in which event the procuring entity may make the award to the next lowest evaluated or call for new tenders.

## 2.28 Corrupt or Fraudulent Practices

2.28.1 The Procuring Entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

2.28.2 The Procuring Entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

2.28.3 Further, a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in Public Procurement in Kenya.

## APPENDIX TO INSTRUCTIONS TO THE TENDERERS

- 3.4.1 The tenderer shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the services under the contract or any part thereof.

3.5 Performance Security

- 3.5.1 Within twenty-eight (28) days of receipt of the notification of Contract award, the successful tenderer shall furnish to the Procuring Entity the performance security where applicable in the amount specified in Special Conditions of Contract.

- 3.5.2 The proceeds of the performance security shall be payable to the Procuring Entity as compensation for any loss resulting from the Tenderer's failure to complete its obligations under the Contract.

3.5.3 The performance security shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to the Procuring Entity and shall be in the form of:

- a) Cash.
- b) A bank guarantee.
- c) Such insurance guarantee approved by the Authority.
- d) Letter of credit.

3.5.4 The performance security will be discharged by the Procuring Entity and returned to the candidate not later than thirty (30) days following the date of completion of the tenderer's performance of obligations under the contract, including any warranty obligations under the contract.

### 3.6 Inspections and Tests

3.6.1 The procuring entity or its representative shall have the right to inspect and/or to test the services to confirm their conformity to the Contract specifications. The procuring entity shall notify the tenderer in writing, in a timely manner, of the identity of any representatives retained for these purposes.

3.6.2 The inspections and tests may be conducted on the premises of the tenderer or its subcontractor(s). If conducted on the premises of the tenderer or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the procuring entity.

3.6.3 Should any inspected or tested services fail to conform to the Specifications, the Procuring Entity may reject the services, and the tenderer shall either replace the rejected services or make alterations necessary to meet specification requirements free of cost to the procuring entity.

3.6.4 Nothing in paragraph 3.7 shall in any way release the tenderer from any warranty or other obligations under this Contract.

### 3.7 Payment

3.7.1 The method and conditions of payment to be made to the tenderer under this Contract shall be specified in SCC

### 3.8 Prices

3.8.1 Prices charged by the contractor for services performed under the Contract shall not, with the exception of any Price adjustments authorized in SCC, vary from the prices by the tenderer in its tender or in the Procuring Entity's request for tender validity extension as the case may be. No variation in or modification to the terms of the contract shall be made except by written amendment signed by the parties.

### 3.9 Assignment

3.9.1 The tenderer shall not assign, in whole or in part, its obligations to perform under this contract, except with THE PROCURING ENTITY's prior written consent.

### 3.10 Termination for Default

3.10.1 THE PROCURING ENTITY may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part:

- a) if the tenderer fails to provide any or all of the services within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring Entity.
- b) if the tenderer fails to perform any other obligation(s) under the Contract.
- c) if the tenderer, in the judgment of the Procuring Entity has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

3.10.2 In the event the Procuring Entity terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered, and the tenderer shall be liable to the Procuring Entity for any excess costs for such similar services.

### 3.11 Termination of insolvency

3.11.1 The Procuring Entity may at the anytime terminate the contract by giving written notice to the contractor if the contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the contractor, provided that such termination will not produce or affect any right of action or remedy, which has accrued or will accrue thereafter to the Procuring Entity.

### 3.12 Termination for convenience

3.13.1 The Procuring Entity by written notice sent to the contractor may terminate the contract in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the Procuring Entity convenience, the extent to which performance of the contractor of the contract is terminated and the date on which such termination becomes effective.

3.13.2 For the remaining part of the contract after termination the Procuring Entity may elect to cancel the services and pay to the contractor on agreed amount for partially completed services.

### 3.13 Resolution of disputes

3.13.1 The Procuring Entity's and the contractor shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the contract.

3.13.2 If after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to the formal mechanisms specified in the SCC.

3.14 Governing Language

3.14.1 The contract shall be written in the English language. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in the same language.

3.15 Force Majeure

3.15.1 The contractor shall not be liable *for* forfeiture of its performance security, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.16 Applicable Law.

3.16.1 The contract shall be interpreted in accordance with the laws of Kenya unless otherwise specified in the SCC

3.17 Notices

3.17.1 Any notices given by one party to the other pursuant to this contract shall be sent to the other party by post or E-mail and confirmed in writing to the other party's address specified in the SCC

3.17.2 A notice shall be effective when delivered or on the notices effective date, whichever is later.

## SECTION IV
